Protection measures for claimants/whistleblowers confidentiality

Protection measures for petitioners and witnesses

๑. Consideration of complaints: The confidentiality layer shall be determined and the protection of related persons shall be determined in accordance with the Regulation on Government Confidentiality B.E. ๒๕๔๔ (๒๐๐๑) and the submission of the matter to the agency for consideration. The circumstances are evident, and only definite individual witnesses are identified. Whistleblowing influencers must conceal the petitioner's name and address. If the name and address of the petitioner are not concealed, the relevant authorities must be notified and provided with protection to the petitioner as follows: "The supervisor shall exercise reasonable discretion and order to protect the petitioner, witness and the person providing information in the investigation and not to suffer any harm or injustice that may arise from the complaint, witnessing or providing such information." In the event that the name of the accused is identified, both the petitioner and the respondent must be protected as the matter has not yet gone through the scrutiny process. In the event that the complainant states in the request for anonymity or does not wish to disclose the name of the complainant, the agency must not disclose the name of the petitioner to the respondent agency. This is because the petitioner may have suffered according to the cause of the complaint.

๒. When there is a complaint The petitioner and the witnesses will not take any action that affects their job or livelihood duties. If any action is necessary, such as separation of workplaces to

prevent the petitioner, witnesses and the accused from meeting, etc. The consent of the petitioner and witnesses is required.

๓. Victim's request Petitioners or witnesses, such as requests for relocation of workplaces or methods to prevent or solve problems, should be considered by the person or responsible agency as appropriate.

๔. Protect the complainant from bullying.

Protection measures for the accused

๑. During the hearing of the complaint, the accused is not considered guilty. They must be treated fairly and treated the same as other people.

๒. Give the accused a full opportunity to clarify the allegations, including the right to present documents/evidence.
